# FOUNDER'S MESSAGE

Respected Parents and Dear Students,

Modulus was founded with a vision to provide quality education to students in Alwar so that nobody would ever need to move to places like Kota, Jaipur or Delhi for JEE/NEET Coaching. We have developed a system in which people can trust and need not move to far off places in search of good education.

Through our experience of guiding students, we have witnessed that initial months of a student of class XI are not fully utilized because there is a huge gap between class Xth syllabus and JEE or NEET class XI syllabus. It was surprising for us that our class XI students from best schools of Alwar were lacking the right scientific aptitude, strong basic fundamentals and the right approach to study science subjects for success in competitive exams. If you are aiming that your child should get selected in these prestigious exams with good rank then you have to start early for your child. By introducing pre foundation courses our focus will be building a strong base for students so that they can give their best and can maximize their full potential to score a very good rank with class XII.

Taking it further, the courses for foundation and pre-foundation encapsulate the learning process beyond the school levels and includes preparation for competitive examinations like HBCSE, NTSE, Olympiad, and also developing a sound foundation for excellence in school examination along with easing into higher grade topics. The foundation courses in a way are intensive programs to cover the entire syllabus for school, olympiads and foundation for both JEE and NEET in a very effective manner. It is designed especially for JEE and NEET aspirants that would give them an edge over the other students appearing for these examinations. The students after undergoing these courses are better placed to solve different problems of all difficulty levels.

We have very strong reason to believe that quality of faculty and overall learning experience at Modulus is simply incomparable. Today we have bigger dreams in front of us. We promise to work hard continuously and better our own results by every passing year and set even higher standards for the years to come.

We wish you a very rewarding experience at Modulus !

Best Regards  
Team Modulus

# About JEE

JEE is an entrance examination for admission into undergraduate degree programs at IITs. It is held in two phases; JEE Main and JEE Advanced.

It has an approximate admission ratio of 10,000:1450,000 thus making it one of the toughest engineering exams in the world. Each year roughly only 0.7 out of every 100 applications make it to IITs. In fact many students who do not get through IIT either try again or get admission in top global universities such as MIT, Harvard, Princeton and Caltech.

Typically the JEE Advanced exam is divided in two question papers of 3 hours each. Both sections measure the skills of the candidate in Physics, Chemistry and Mathematics as well the comprehensive, reasoning and analytical abilities. However, the pattern of exam can change every year.

## 100 PERCENTILE CLUB OF MODULUS

# Why should Modulus be the first choice for IIT / NEET in Alwar?

## UNMATCHED FACULTY QUALITY

Modulus takes proud in hosting the best and brightest faculty team whether it be JEE, NEET, Olympiads or NTSE. 100% faculties in JEE division are either from IITs, NITs. In NEET division faculties are from prestigious Colleges/Universities of India. We believe that students must be so comfortable and confident of their teachers that nothing seems out of reach for their ambitions.

## RESULT FOCUSED STUDY MATERIAL

There is a separate R&D department that works 24\*7 to ensure best quality study material for Modulus students across the country. Before publishing/printing study material goes through 3-tier research & proof-reading framework to ensure that errors are minimized. Modulus content is so comprehensive that students are not required to purchase any extra material from market except some special books suggested by faculty members

## DOUBT COUNTER

Doubt removing desk is particularly for those students who can't ask their query in classroom and are shy in nature. These doubt counters ensure that students remove their doubt without any hesitation. This desk also helps in building strong bonding among faculties & students

## PERIODIC REVIEW TEST SERIES

To maintain & develop speed & accuracy of students, concept of periodic tests is super useful for students. There are various type of tests such as Minor tests, Major tests, Cumulative tests, Unit tests, Revision tests, Surprise tests, AITS and class quizzes. The level of test series is decided to bring the maximum performance in final exam for all so of students

## TRUST OF MODULUS STUDENT

When you are admitted in MODULUS for your IIT / NEET preparation, you will benefit from the same legendary MODULUS system which has produced the highest selection rate in JEE Main and Advanced in Alwar for last 5 years continuously. You will be mentored by a team that is not only most qualified but has the highest level of dedication for its students in the entire coaching field in the whole country. We believe that the trust and faith associated with MODULUS system would help you achieve your dream in the shortest possible time.

# WHY PRE FOUNDATION PROGRAM ?

*If you have a dream of great academic career for your child  
you need to know below facts*

As per the experts, more than 90 out of top-100 students in JEE Advanced are those students who had enrolled in some kind of pre foundation programs. Sometimes as early as class VI!

In India competition is increasing every year, more than 9 lac students enrolled for JEE Main .  
Out of these, only 8000 students (out of every 120 students) will get a seat in reputed IITs.

In India competition is increasing every year, more than 20 lac students enrolled for NEET. Out of these, approximate 40,000 students will get a seat in government colleges.

# ACADEMIC MENTORS AT MODULUS

**SAURAV SIR ( B.Tech, NIT Raipur )**  
CHEMISTRY (Exp.13 yrs)

Saurav Sir has over 12 years of teaching experience exclusively for JEE Main and Advanced and NEET. With a strong passion towards teaching in his heart, he started his career right after graduation in Resonance Kota and later moved to Matrix, Allen Sikar and then founded MODULUS ALWAR in 2018. SRK Sir is known and respected amongst the student as well as faculty fraternities for his Physical & Inorganic Chemistry prowess. He regularly inspires students to overcome their mental block towards Chemistry and simplifies the subject to an extent that it often becomes the student's favourite subject. Apart from being a brilliant teacher SRK Sir is also known for his counselling motivation to student helping them systematically eliminate their weaknesses. Over the years, more than 3000 of his students have secured admissions at top IITs, NITs, & Govt Medical Colleges for MBBS. SRK Sir comes with remarkable academic background. He did his schooling JNV Bharatpur (Rajasthan) & MVN Faridabad (Haryana) and B.Tech from NIT Raipur. At MODULUS, SRK Sir ensures that each and every student has best-in class experience while preparing for JEE / NEET.

**RAKESH SIR ( B.Tech, IIT BHU )**  
PHYSICS (Exp. 08 yrs)

A B.Tech graduate in Engineering Physics from IIT BHU, Rakesh Verma (RV Sir) is a force to reckon with in IIT-JEE / NEET Physics. After graduating from IIT, he worked as market analyst in top most MNC company "Futures First" but his hunger never satisfied so, he led his knowledge to embrace the tenets of student development. RV Sir taught extensively in Career Point for IIT-JEE before coming to Alwar permanently when MODULUS was started in 2018. RV Sir has been guiding students to excel in IIT-JEE / NEET Physics since last 8 years and has already left an indelible mark in the larger Physics community in Alwar. He has been widely regarded by students as an exceptional teacher with a very strong focus on concept building approach for excellence in Physics and impart quality Physics education to each student.

**ASHISH SIR**  
(B.Tech, IIT BHU)  
MATHEMATICS (Exp.10 yrs)

Ashish Sir is a B.Tech. graduate from IIT BHU, Varanasi. He is so much passionate about teaching that he chose teaching as a career straightaway after his graduation. His vast teaching experience include FIITJEE, IITIAN's PACE etc. thus producing great ranks in the process. His problem solving abilities and inspiring nature make him the favourite among the students. His sharp acumen and solving students' queries from the scratch make him a great mathematics teacher. Over all he is truly an IITian producing future IITians.

**AMIT SIR**

## Abhimanyu Jain (JEE ADV. 2021)

First and foremost, the quality of teaching and coaching provided by the instructors is exceptional. They are not only knowledgeable in their respective subjects but are also excellent communicators, making it easy for us to understand complex topics. Their dedication and commitment to ensure that each student understands the material is truly commendable. I appreciate the personalized attention that each student receives at the institute. The institute provides us sample practice material which has helped me to improve my problem-solving skills and increase my confidence. The online resources, including online mock tests have also been incredibly helpful in preparing for the JEE exam. Overall, I am very satisfied with my experience at the JEE coaching institute. I believe that the quality of teaching, personalized attention, and excellent study material has helped me to improve my knowledge and skills in the subjects and prepared me well for the JEE exam. I would highly recommend this institute to anyone who is preparing for the JEE exam. And the most important point the institute will not let you feel that you are not the part of the Modulus family. I was the part of it, I am the part of it, and I will be a always part of it. "Bachha Modulus se nikal jaata hai but modulus bachhon ke andar se nahin nikalta"

## Anjali Agarwal (JEE ADV. 2022)

"Can't express in words, don't think I am lazy but seriously there is something special in it, something which attracts everyone towards it and flourish it with blessings. The faculty is just awesome and students feel the real gurus in the MODULUS." I did my foundation course from MODULUS. At the start of my journey, I was so afraid from the name of JEE, but after few months at Modulus I was so pleased by the nature of teachers. It made me fearless about the subjects and the paper of JEE. In middle of my journey, I was a bit displaced from my path but with motivation from RV Sir and Amit Sir, I was able to come back on my path. At last I just want to say that Modulus provided me the best environment I would have got. Thanks to Modulus!!"

## Anshul Bhugra (NEET 2022)

I am happy on my decision of choosing Modulus Academy where I improved my level of learning day by day with the help of extra ordinary teachers and their amazing teaching and testing pattern. Modulus has a study friendly atmosphere. Helpful staff, regular classes, timely tests with no restrictions of questions and extra attention on scientific attitude makes it the best in Alwar.

## Amit Kumar (NEET 2022)

Modulus academy is one of the best coaching institute for NEET here. All teachers are well qualified and talented. Teachers listen the problems students as their friends and help to solve the problem. Best thing of Modulus is that every student is under concern of teachers and for students doubts teachers are available always at both places in class or out of class.
